

ANNUAL REPORT 2022-2023

MP INTERNATIONAL SCHOOL

**AFFILIATED TO THE CENTRAL BOARD OF SECONDARY EDUCATION
MP CAMPUS PERIYADKA , PO SIRIBAGILU ,KASARAGOD ,KERALA 671124**

THANK YOU!

I offer my deepest gratitude to the Almighty for guiding us through this eventful year and blessing us with the strength to overcome challenges. Our faith and trust in divine providence have been a source of unwavering support.

To the dedicated and passionate team of educators and staff members, your commitment to excellence and tireless efforts have been the driving force behind our achievements. Your unwavering dedication to the growth and well-being of our students has had a profound impact on their lives.

I extend my appreciation to our students for their unwavering enthusiasm, curiosity, and determination. Your passion for learning and willingness to embrace new opportunities continue to inspire us.

We are also indebted to our parents and guardians for their constant support, trust, and cooperation. Your partnership with the school has played a pivotal role in creating a conducive learning environment for our students.

Additionally, I would like to express my gratitude to our esteemed Board of Governors and management for their vision, guidance, and unwavering support in steering the school towards excellence.

Lastly, I extend my thanks to the wider community of MP International School, including our alumni, well-wishers, and benefactors, for their encouragement and contributions to our endeavors.

Together, we have achieved numerous milestones, and I am confident that our collective efforts will continue to shape a bright and promising future for our school.

With profound appreciation and warm regards,

Dr Abdul Jaleel P
Pedagogical Leader ,MPIS

MP INTERNATIONAL SCHOOL [MPIS]

MP International School, nestled in the serene suburbs of Periyadka, Kasaragod, is a beacon of holistic education and empowerment. Established and promoted by the esteemed M P Charitable Trust, registered under the Indian Trust Act, our institution envisions uplifting the underprivileged through top-notch education and cultural values.

Spanning across a lush 5.12-acre campus , with an additional 2.5-acre expansion potential, MP International School provides a dynamic and nurturing environment for 1038 brilliant minds. Our six-story modern building, sprawling auditorium, well-stocked library, and state-of-the-art science and computer labs fuel curiosity and creativity.

With three sports grounds on-site, we believe in promoting physical fitness and sportsmanship. Our students have consistently shone in sports, games, and quizzes, bringing laurels to the school.

MP International School is promoted by the M.P. Charitable Trust .The Trust has the objectives of providing services for the social, cultural, and economical development of the society, through the establishment of vocational training centres, colleges, and professional institutions. The Trust is established and chaired by Dr. M. A. Mohamed Shafi, a leading businessman, industrialist, philanthropist, and social worker. Dr. Shafi, popularly known as M.P. Shafi, has been an NRI living in Qatar for over 50 years and is the Managing Director of M.P. Group of Companies. M.P. Group is involved in multifarious business activities both in Qatar and in India. His involvement in various social, cultural and educational activities both in India and abroad has been well acclaimed. rewrite this as a catchy profile

At M P International School, we nurture dreams, shape destinies, and prepare young minds to embrace the challenges of tomorrow. Join us on this extraordinary journey of learning and growth.

At MPIS, we believe that education is the key to empowering young minds and transforming lives. Our mission is to nurture well-rounded individuals with academic excellence, leadership qualities, and a strong sense of cultural heritage.

Our Vision

An inclusive centre of excellence to transform the students into a people competent in meeting the challenges of the modern world ,upholding high ethical and moral values, thus contributing to the improvement in quality of life and civilization.

Our Mission

Provide an environment that allows the free flow of creative energy, develops skills, provides proper theoretical and practical knowledge, identifies hidden talents, and molds them into refined human beings in the highly dynamic economic and techno-scientific world.

REPORT -SECTION KINDERGARTEN

In the enchanting realm of our Kindergarten, 235 young hearts blossom into curious learners, guided by a team of 12 dedicated teachers. We take immense pride in the nurturing environment provided to our little learners, where every moment is a step towards discovery and growth.

With 10 well-designed classrooms, our Kindergarten offers a conducive atmosphere for exploration and creativity. These classrooms are thoughtfully furnished and well-ventilated, ensuring a comfortable and stimulating learning environment for our young minds.

To facilitate experiential learning, we have equipped our activity room with Montessori tools and a projector. This empowers our teachers to engage students with interactive and visual aids, unlocking their innate potential and fostering a love for learning.

Our little ones relish the joy of dining together in a dedicated dining area. Sharing meals fosters a sense of camaraderie and reinforces the importance of healthy eating habits from an early age.

A vibrant play area invites our students to indulge in uninhibited fun and games. We understand the significance of physical activity in holistic development, encouraging children to explore and learn through play.

At M P International School, we believe that every child is unique and has the potential to achieve greatness. Through our Kindergarten program, we sow the seeds of curiosity, resilience, and a love for learning, preparing them for the exciting chapters that lie ahead.

ACTIVITIES 2022-2023

The reopening of MP International School's Kindergarten for the academic year 2022-23 was met with a mix of emotions among both teachers and students. On one hand, there was an overwhelming sense of excitement and joy as we returned to the physical school, reuniting with familiar faces and the vibrant energy of our little angels. However, on the other hand, the lingering fear of COVID still hung in the air, causing a hint of apprehension in our hearts.

The JKG classes at MP International School began their exciting journey on the 1st of June with a special "Meet your teacher" online warm-up session. This thoughtful initiative aimed to ease the transition from the comfort of home to the vibrant school environment.

Children were welcomed to the school campus on the 6th of June. An inaugural session was organized, where the children interacted with their teachers in the presence of their proud parents. This heartwarming interaction further helped in smoothing the transition, creating a nurturing and supportive atmosphere for our little ones to thrive.

Senior KG at MP International School: The Senior KG program at MP International School witnessed an interesting twist, with two whole batches stepping into formal schooling for the very first time due to the COVID impact. Despite this unique challenge, our dedicated team rose to the occasion, ensuring these young learners were ready to take on their academic journey within a single year.

Nurturing Learning Environment: Our team worked tirelessly to create a safe, nurturing, and engaging environment for our students. Significant progress was made in curriculum development, student achievement, and teacher training, fostering holistic learning experiences.

Montessori-Inspired Learning: We introduced a Montessori-inspired learning environment to promote hands-on experiential learning. Recognizing each child's unique learning style, our inclusive curriculum catered to individual needs, ensuring every student thrived.

Continuous Assessment for Growth: Our teaching-learning process involved continuous assessment and thorough remedial follow-ups. Six cycle assessments, including two worksheet assessments, were conducted, resulting in notable gains in student achievement across all subjects.

Health and Wellness Focus: We placed a strong focus on health and wellness, aligning with CBSE's goals. Celebrating World Yoga Day, conducting School Junior Olympics, and Indigenous Games, we instilled a culture of well-being in our kindergarteners.

Proud Athletic Achievement: Our students' participation in the First Kids Athletic Championship, organized by Kerala State Athletics Association, brought immense pride as they emerged as the Champions, showcasing their talent and dedication.

Effective Communication through Arts: CBSE Goal 2 - Effective Communication, found expression in language and drama through "Hunar Juniors," the Art and Cultural fest. Over 230 students participated, showcasing their storytelling, action song, elocution, mimicry, drawing, and coloring talents.

At MP International School, our commitment to experiential learning and sustainability took center stage during our Bagless Days. These special days were dedicated to STEAM (Science, Technology, Engineering, Arts, and Mathematics) based activities, enriching our students' educational experience.

Themes of Exploration: Each Bagless Day revolved around a unique theme, providing our students with diverse learning opportunities. Some of the themes included:

Doctors Day: Celebrating the noble profession of medicine, students engaged in activities highlighting the importance of healthcare and medical science.

International Arabic Language Day: Exploring the rich cultural heritage of the Arabic language, students delved into linguistic and cultural activities.

National Mathematics Day: Promoting the wonder of numbers and problem-solving, students immersed themselves in engaging mathematical challenges.

Color-Themed Days: Through Red Day, Yellow Day, and more, students explored the vibrant world of colors, unleashing their creativity through art and science.

STEAM-Based Learning: These Bagless Days embraced the essence of STEAM education, fostering critical thinking, creativity, and interdisciplinary learning. Through hands-on activities and

project-based tasks, students developed problem-solving skills and a deeper understanding of various subjects.

Empowering Experiences: The bagless approach encouraged students to think beyond textbooks and embrace real-world applications of their knowledge. It sparked curiosity and ignited a passion for lifelong learning.

Azadi ka Amrit Mahotsav : A festive celebration to instill Indian ethos and culture, marked the commemoration of 75 years of Independence. A week-long extravaganza of events and activities, both in school and at home, delighted our students. The celebrations nurtured a deep sense of patriotism and pride in our young hearts.

A special Republic Day assembly amplified Indian spiritedness in students, fostering patriotism and national pride. The event celebrated the essence of being a proud citizen of India.

As we look back on these enriching Bagless Days, we celebrate the spirit of exploration and the joy of learning that filled our campus. These experiences have left a lasting impact on our students, empowering them to embrace knowledge with enthusiasm and confidence.

On Children's Day, our aim to instill respect, love, and care for elders came to life as we invited our students' bundle of joy, their grandparents, to the campus. The heartwarming event allowed precious bonding moments, fostering a sense of family and tradition among our young learners.

Merit Day : Throughout this academic year, Merit Days were organized to honor outstanding achievements. Students of the Month, Hunar winners, sports achievers, Arabic Day competition winners, athletic meet champions, and various achievers were celebrated. These events recognized and applauded the exceptional talents and efforts of our students, inspiring them to aim for greatness.

Parent Teacher Conferences : Parent-teacher conferences facilitated comprehensive discussions on students' strengths, growth, and areas of improvement. The valuable feedback from parents proved instrumental in enhancing the learning journey of our children. These collaborative meetings strengthened the home-school partnership, ensuring holistic development and academic progress.

Numaish : The Kindergarten Annual Art integrated exhibition, showcased on 14th February, was a resounding success with enthusiastic participation from students and parents. The event celebrated creativity and imagination, displaying captivating artworks that reflected the young talents' boundless potential. It fostered a sense of pride and appreciation for the artistic endeavors of our little ones.

On 15th February, KG students enjoyed a one-day picnic to VPRA Kayal, bringing joyful experiences and strengthening bonds. The outing fostered civic sense and discipline through real-life encounters. The students relished the trip, making unforgettable memories with friends and teachers.

Teacher Training: At MP International School, we prioritize quality education, achieved through rigorous teacher training and professional development. Regular training sessions ensure our teachers stay updated with the latest teaching techniques and best practices. Our comprehensive training approach includes CBSE workshops, in-house sessions, and self-study circles like SWAADHYAY. Topics

covered varied from Montessori tools, phonological awareness, art-integrated teaching, and ECCE in NEP 2020 to holistic progress cards, vision board creations, and inclusive education.

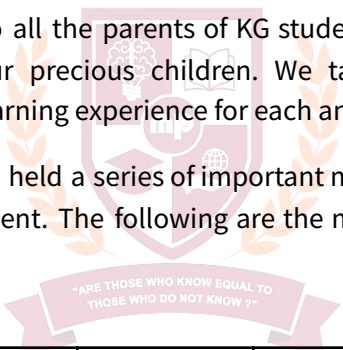

Cultivating Green Thumbs: KG teachers played a vital role in nurturing the MPIS VEGGIE Patch, our school vegetable garden. Students eagerly participated in tending to the plants, watering them, harvesting the crop, and planting seeds. This hands-on experience not only instilled a love for nature but also taught valuable lessons about sustainability and the rewards of cultivating their own produce.

Shashakth: The KG department took the initiative to organize "Shashakth," a digital empowerment program for our school's helping hands, the beloved chechis. This initiative aimed to equip them with essential digital skills for a brighter future. Through this program, our dedicated staff received valuable training, enhancing their confidence and paving the way for personal and professional growth in the digital age.

MPIS Kindergarten has taken remarkable strides throughout the past year. DAREECHA was celebrated to honor our collective achievements and cherish the journey of growth and progress we have embarked upon together. As we reflect on the eventful year, we celebrate the resilience of our students and the dedication of our teachers. MPIS continues to strive for excellence, providing a nurturing and empowering foundation for our young learners, preparing them for a bright future.

We extend our heartfelt gratitude to all the parents of KG students who have bestowed upon us the trust to care for and educate your precious children. We take this responsibility with utmost seriousness, ensuring a rewarding learning experience for each and every child.

Meetings : The Kindergarten section held a series of important meetings to discuss various aspects of our students' growth and development. The following are the meeting dates held during the period from May 2022 to February 2023:

04/06/2022	08/06/2023	10/06/2022	13/06/2022	18/06/2022	20/06/2022	21/06/2022
22/06/2022	23/06/2022	25/06/2022	28/06/2022	18/05/2022	07/07/2022	14/07/2022
14/07/2022	27/07/2022	29/07/2022	06/08/2022	08/08/2022	29/08/2022	14/09/2022
16/09/2022	26/09/2022	29/09/2022	18/10/2022	27/10/2022	01/11/2022	07/11/2022
07/11/2022	14/11/2022	02/12/2022	15/12/2022	19/12/2022	04/01/2023	09/01/2023
19/01/2023	20/01/2023	24/01/2023	02/02/2023	03/02/2023	06/02/2023	08/02/2023
25/02/2023						

These meetings served as a platform for valuable discussions and collaborative planning to ensure the holistic growth and well-being of our Kindergarten students. We remain committed to fostering a nurturing and enriching environment for their overall development.

FOUNDATIONAL LITERACY AND NUMERACY DIVISION 2 [GRADE 1 AND 2]

Reopening : The two years of the COVID pandemic deprived children of the joy of school life. Their excitement to meet teachers and friends they had only seen online was palpable. Following the new education policy of 2020, emphasizing Foundation Literacy and Numeracy with the concept of mother teachers, classes 1 and 2 commenced on June 1st, 2022. The first-day attendance percentage was 84%, with 104 students in Grade 1, 132 students in Grade 2, totaling 236 students. The FLN section boasts 12 teachers in 9 divisions. Education focuses on foundational literacy and numeracy, activity-based and experiential learning, collaboration, and art-integrated learning, fostering holistic development. The school adopts 360-degree holistic assessment with 4 domains and 3 competency goals: health and well-being, effective communication, and involved learners.

General Body Meeting : The academic year commenced with the first General Body meeting held on 31st May 2022 at 3:00 p.m. via Google Meet. Additionally, the inaugural staff meeting with the staff secretary occurred on the same day at 9:30 a.m. Parent-Teacher Meetings (PTMs) were conducted to discuss mid-term assessment marks and overall performance on 16/7/2022, 17/9/2022, 8/10/2022, and 04/04/2023.

Assessments : Throughout the academic year, MP International School conducted a series of comprehensive assessments to track students' progress and evaluate their learning journey. The assessments included:

Pre-midterm assessment: Held from 24th August 2022 to 1st September 2022.

Midterm assessment: Conducted between 20th October 2022 and 27th October 2022.

Post-midterm assessment: Administered from 23rd January 2023 to 31st January 2023.

Summative assessment: Held from 20th March 2023 to 30th March 2023.

These assessments provided valuable insights into students' academic development and guided our efforts in ensuring a holistic and effective learning environment. We are proud of our students' progress and dedication to their studies throughout the assessment periods.

Methodology : MP International School takes pride in providing students with excellent teaching methods, including constructive and experiential learning. Our focus on inquiry-based learning nurtures holistic skill development in children. By imparting education in such a way, we foster a conducive environment for students to explore, inquire, and learn actively. This approach ensures our students' comprehensive growth, equipping them with essential skills for a successful and fulfilling future.

World Elder Abuse Awareness Day : On June 15th, MP International School observed World Elder Abuse Awareness Day with great dedication. Section FLN 2 orchestrated an oath-taking ceremony within the school premises to enlighten students about the significance of older people's well-being, physical health, and mental health. A remarkable 236 students from Grades 1 and 2 enthusiastically

participated in the activities. The program commenced with an inaugural address by the academic head and was skillfully coordinated by the class coordinators of each class. This initiative aimed to provide a platform for students to achieve learning objectives related to family relationships, roles, influences, and the importance of living together, as outlined in NCERT NIPUN BHARAT curriculum.

Vibrant Independence Day: On 15th August 2022, MP International School celebrated Independence Day with fervor. Section 1&2 organized a bagless Day program, engaging 230 enthusiastic students from Grades 1 and 2. The event aimed to instill a deeper understanding of India among the students. It commenced with an inaugural address by the section head and efficient coordination by the event coordinators. Through performing arts, and creative moments like role play ,dramatization, the program provided a platform for students to achieve learning outcomes as per the guidelines of Nipun Bharat.

The Bagless Day- NEP 2020 Compliance: On 28th October 2022, MP International School hosted a vibrant Bagless Day program for Section 1&2, embracing a "Learn Through Fun" approach. The event allowed 236 students from Grades 1 and 2 to learn, create, and play in their favorite fields, such as seed sowing without fire and clay modeling. The program was inaugurated by the section head, and the event coordinators ensured smooth coordination. Its purpose was to provide a creative platform for students to achieve learning objectives, including displaying fine motor skills, accuracy, control, and coordination, as per Nipun Bharat's structured learning guidelines.

Children's Day Celebration : On 14th November 2022, MP International School celebrated Children's Day with a special program organized by Section 1&2. The event aimed to introduce the students to the first Prime Minister of India, Jawaharlal Nehru, and foster their understanding of our country through costume presentations and role-play activities. Additionally, an art activity sparked their creativity. Around 230 students from Grades 1 and 2 enthusiastically participated in this memorable event. The program, inaugurated by the section head, was skillfully coordinated by the event coordinators. Its purpose was to provide a platform for students to achieve learning outcomes, including expressing their needs and asking questions in their own or full languages to gain information, in line with Nipun Bharat's learning outcome guidelines.

FIFA World Cup Celebration : On 27th November 2022, in celebration of the FIFA World Cup, MP International School's Section 1&2 organized an engaging drawing competition. Children were tasked with drawing and coloring the flags of two countries participating in the FIFA World Cup 2022. The program spanned four consecutive Fridays, familiarizing students with flags from various nations. A total of 233 students from Grades 1 and 2 participated enthusiastically. The event was inaugurated by the staff coordinator and associated with the class coordinator for each grade. Its purpose was to achieve learning objectives, including fostering respect for cultural diversity, sensitivity towards people with special needs, and demonstrating precision in fine motor activities like drawing and coloring, as struin theured in Nipun Bharat Guidelines.

Merit Day to honor children : On November 16, 2022, MP International School's Sections 1 and 2 hosted an esteemed event, Merit Day, to celebrate and honor students' outstanding achievements. The ceremony recognized the winners of "Student of the Month" and the top scorers of Term I Assessments. This program instilled self-confidence, nurtured academic interests, and promoted

positive self-concepts among the students. Around 40 students from Grades 1 and 2 were proudly honored during the event. The Merit Day, inaugurated by the section head, was skillfully coordinated by Mrs. Shahala and Mrs. Ramseena. Its purpose was to provide a platform for students to achieve learning outcomes, including following complex instructions, creating their own rules, exhibiting increased attention span, persistence in tasks, and coping with emotional appreciation in various situations, as structured in Nipun Bharat guidelines.

FLN Exhibition : On December 22, 2022, MP International School's Sections 1 and 2 organized a captivating FLN exhibition in connection with Bagless Day. This event showcased the students' learning achievements until December 10th, allowing them to explore their skills, knowledge, and identities while presenting their learning. Around 234 students from Grades 1 and 2 actively participated in the exhibition. The program was inaugurated by the school manager, Mr. Shamshuddheen, and the school principal, Dr. Abdul Jaleel, raised the curtain on the program. The event coordinators efficiently managed the exhibition, aiming to provide a platform for students to achieve learning outcomes, including narrating stories, reciting poems of their choice, displaying fine motor skills with accuracy and control, and engaging in art activities, in line with Nipun Bharat's learning outcome guidelines.

Student of the Month : On 6th January 2023, MP International School's Section 1 and 2 organized the Second Merit Day to honor the outstanding achievements of students. The ceremony recognized the winners of "Student of the Month" and the top scorers of Term I Assessments, instilling self-confidence and fostering academic interests among the students. A total of 60 students from Grades 1 and 2 were proudly honored during the event. The Merit Day, inaugurated by the section head, was efficiently coordinated by Mrs. Shahala and Mrs. Ramseena. Its purpose was to provide a platform for students to achieve learning outcomes, including following complex instructions, creating their own rules, showing increased attention span and persistence in tasks, and coping with emotional appreciation in varied situations, in line with Nipun Bharat guidelines.

Kids Sports Fest: On January 14, 2023, the Kids Sports event took place at Neeleshwaram, featuring 16 enthusiastic participants from Level 2. The children participated in various sports with great enthusiasm and fair play. Mrs. Shahala and Mrs. Shahida escorted the students during the event, ensuring their safety and support. The event provided a wonderful opportunity for the young athletes to showcase their talent and enjoy a day of fun-filled sports activities.

Sectionwise Assemblies: Throughout the academic year, MP International School conducted 25 class-wise assemblies and 10 FLN 2 section-level assemblies. These assemblies provided a platform for students to showcase their talents and enhance their public speaking skills. With each section assembly, students gained confidence, enthusiasm, and self-awareness. It was a wonderful opportunity for them to express themselves, share their ideas, and build a sense of belonging to their respective sections. The assemblies played a vital role in fostering a positive and encouraging learning environment within the school community.

Convocation Ceremony: Starting this year, MP International School introduced a convocation ceremony for Grade 2 students. The inaugural convocation witnessed 125 young graduates receiving their well-deserved recognition. The event was a momentous occasion to celebrate their

achievements and mark the transition to the next academic level. The convocation ceremony instilled a sense of pride and accomplishment in the students, encouraging them to continue their academic journey with enthusiasm.

Teacher Submissions: During the academic year, the dedicated teachers of FLN 2 diligently submitted their teaching materials, including texts, manuals, registers, and learning outcomes. The Parent-Teacher Meetings (PTMs) were conducted successfully, and teachers promptly submitted the PTM register, Parent Concern Book, and report cards on the assigned dates. In the upcoming months, teachers will be assigned PLPA duties in April and book and uniform distribution duties in May, with each teacher having three duties in each month. After a well-deserved vacation until May 15, teachers will participate in mandatory CBSE training programs to further enhance their skills.

Section Meetings

Throughout the academic year 2022-2023, FLN 2 Section conducted 25 section meetings, fostering a collaborative environment for teachers and staff. These meetings were instrumental in enhancing communication, sharing best practices, and addressing academic and administrative concerns.

18/6/2022	25/6/2022	16/7/2022	23/7/2022	30/7/2022	6/8/2022	20/8/2022

Gratitude : We extend our heartfelt gratitude to the parents, students, and teachers of FLN 2 for their unwavering support throughout the academic year 2022–23. Your dedication and commitment have played a significant role in creating a thriving learning environment. Together, we achieved remarkable milestones, and your unconditional support has been instrumental in our success. Thank you all for being an essential part of our journey.

REPORT -SECTION 3-5 [FLN 2]

Rejoicing Return:After two years of lockdown and COVID crisis, MP International School reopened its doors for Grade 3, 4, and 5 students on June 1, 2022. Prior to the reopening, a crucial General Body meeting, led by the Principal, was held to address the parents and students. The meeting emphasized the need to bridge the learning gap caused by the pandemic. With 14 classes and a total of 355 students, Section 3-5 is the most populous section of the school, marking the transition from Foundational Literacy and Numeracy stage. Parents, students, and teachers eagerly embraced the return to the familiar routine of school days.

The corridors of MP International School were abuzz with excitement as students eagerly returned to their physical school after a prolonged period of two years of homeschooling. Grade 3, 4, and 5 classes were organized into 5, 5, and 4 divisions, respectively. In each grade, the A division was designated for students who needed additional support to bridge the learning gap caused by the pandemic. Teachers were prepared to provide the necessary hand-holding and guidance to help students get back on

track. The school community was determined to make this academic year a successful and fulfilling one.

Uplifting Nature:MP International School kick-started the academic year with a remarkable initiative to honor World Environment Day. Organized by the Science Department, an enthralling poster designing competition on Nature Conservation took center stage. Students showcased their artistic talents while emphasizing the significance of protecting our environment. The event not only raised awareness about environmental issues but also fostered a sense of responsibility towards nature among the young minds. The school community's enthusiasm and commitment to safeguarding the planet were truly commendable.

Vibrant Initiatives: The months of June and July at MP International School were abuzz with engaging activities and events. On June 5, students took a pledge on World Elder Abuse Day, displaying their commitment to elderly well-being. First Class tests were conducted to gauge subject-wise progress. The School Parliament Elections on July 14 allowed aspiring leaders to campaign and interact with their peers. On July 20, a comprehensive Medical checkup was provided, and on July 24, students celebrated Parents Day with heartfelt card-making. The period also witnessed Unit Test-1, ensuring academic assessments remained on track.

Celebrations and Achievements Galore:The Independence Day celebration at MP International School's Sections 3-5 commenced with a spirited Mass Drill, followed by engaging activities like Paper Cup Crafting and poster designing. Sweets spread the festive cheer, and students participated in the PM's campaign, Har Ghar Tiranga.

Pre-midterm exams took place from August 25 to 31. September was filled with memorable events like Teachers Day and Hunar, where students showcased their love and gratitude to teachers. A heartwarming PTM was held on the 17th, and class tests conducted by each subject teacher concluded the month on a successful note.

Promoting Wellbeing:In honor of World Mental Health and Wellbeing Day, the Psychology Department at MP International School's Section 3-5 organized a drawing competition on 'Happy School.' Students showcased their creativity, and grade-wise winners were rewarded with certificates. On October 27, the section embraced a bagless day, filled with exciting activities tailored to each grade. The day promoted fun-filled learning experiences while fostering a positive and supportive school environment. These initiatives further enriched the students' overall wellbeing and academic journey.

Engaging Activities and Celebrations:Throughout the academic year, Section 3-5 at MP International School witnessed a range of enriching activities and celebrations. Academic circle time, mindfulness activities, and chapter-related engagements fostered holistic learning experiences. Mid-Term Examinations were conducted from October 20 to 31, assessing students' progress.

Keralappiravi :To celebrate Kerala's birth on November 1, students showcased their artistic talents through paintings and cut-outs, adorning the class notice boards. Parent-Teacher Meetings on November 8 allowed for convenient interactions.

Children's Day: On November 14 featured exciting class-wise games and a special assembly. The FIFA World Cup spirit, a drawing competition on November 18 enthralled students throughout the school, crowning class-wise winners. These events brought joy, enthusiasm, and a sense of community to Section 3-5's academic journey.

On November 21, students participated in a thought-provoking slogan writing competition on "Gender Equality," showcasing their awareness and creativity. Class-wise winners were celebrated for their remarkable contributions. On November 28, the second bagless day fostered fun-filled learning experiences, accompanied by productive academic discussions during Circle time. The month concluded with class tests, providing students with opportunities to showcase their knowledge and skills. The events contributed to a well-rounded and enriching educational journey for the students.

On December 12, MP International School's Section 3-5 commemorated Bharatiya Bhasha Utsav with a vibrant language day. Students joyfully signed their names in various languages, celebrating linguistic diversity. The day also marked the first Merit Day, honoring outstanding achievers. The event fostered cultural appreciation and academic recognition among the students.

On December 22, Section 3-5 of MP International School celebrated National Mathematics Day with engaging programs, including poster designing. The day aimed to promote interest and appreciation for mathematics among students. Unit Test-2 was conducted one week before the Christmas holidays, allowing students to assess their knowledge and understanding before the break.

On January 13, grade 5 students of MP International School visited an Old Age Home as an extended activity related to their Malayalam chapter, emphasizing the importance of caring for the elderly. On January 17, a unique learning experience awaited them as they experienced a 12D cinema through VR glasses, immersing them in 360° movies with interactive sports seats. On January 20, as part of the PM's Swachhta Pakhwada program, the section observed Road Safety Week, promoting awareness about road safety. These enriching activities brought education to life and provided valuable life lessons for the students.

A road sign board drawing competition was held, recognizing and appreciating class-wise winners. Republic Day celebrations were a grand affair, with cultural programs by students from grade 4 onwards. Post Midterm Examination took place from January 23 to 31. On National Tourism Day, February 22, the Malayalam Department organized a drawing competition at Bekal Fort.

The eagerly awaited exhibition, "Shiddath," was conducted on February 28. Stalls were arranged subject-wise, showcasing exhibits conceptually. The exhibition displayed students' learning, skills, emotions, and teamwork. Live stalls allowed students to showcase their drawing and performance talents. These activities fostered holistic development and experiential learning opportunities for the students of Section 3-5.

On February 28, 2023, an exciting school excursion took place where 174 students and 31 staff members, including non-teaching staff, visited Vismaya Water Theme Park in Kannur. The following day, on March 1, a Google meet was held with class codes and parents to discuss the upcoming Bahaar 2.0, the Annual Community Festival.

On March 4, the grand event, Bahaar, took place with a total of 11 items from the section and around 345 students participating. The academic toppers, Maimoona Zoya (Grade 3), Amna (Grade 4), and Aysha Naflah (Grade 5), were honored. The teachers' exceptional training and dedication were evident in the high-quality presentations.

On March 13, 2023, class photos were captured for Grade 5, and on the same day, for Grades 3 and 4. The Annual Exams commenced on March 20 and concluded on March 30. During the closing day, class photos were distributed to the students. Open House sessions were conducted on April 4 for Grades 3 and 4, and on April 5 for Grade 5. Convocation posters of students passing out from SAFAL-1 were shared through class groups, marking a memorable milestone for the graduating students.

All section teachers completed their CBPs under CBSE and Diksha courses. Certificate copies were collected and filed in their portfolios.

Meetings: Throughout the academic year 2022–23, a total of 23 section meetings were conducted. The meetings took place on the following dates: June 10, June 18, July 5, July 16, July 23, August 20, August 27, September 16, September 27, September 28, October 29, November 19, December 3, December 31, January 11 (2023), February 1 (2023), February 16 (2023), March 1 (2023), March 16 (2023), and March 24 (2023).

Gratitude: The teachers of MP International School have shown immense dedication and commitment throughout the academic year 2022–23. They have diligently prepared and submitted all the necessary materials and reports, ensuring the smooth functioning of the school. We extend our heartfelt gratitude to all the parents, students, teachers, and stakeholders for their unwavering support and cooperation in making this academic year a successful one. Your active involvement and encouragement have played a crucial role in the holistic development of our students. We look forward to continuing this journey together and achieving even greater milestones in the coming years. Thank you for being an integral part of our school community.

REPORT -SECTION 6-8 SAFAL 2

The School Praveshanothsava held on 1st June 2022 marked a day of celebration and joy for everyone. The reopening day also saw the My Kid's School Photo Competition, adding excitement to the event. With an impressive attendance percentage of 89%, the school welcomed back students who were abroad and joined later.

Education at our school goes beyond academics to develop critical skills like decision-making, problem-solving, and logical thinking. Holistic development is achieved through a wide range of activities, including cultural events organized by Section SAFAL 2 on special days.

On June 5, the school celebrated World Environment Day with a poem writing competition focusing on living sustainably in harmony with nature. Congratulations to the talented winners Aysha Mehreen, Fathima Rana, and Fahima Jamaludheen of grades 6C, 8A, and 7C, respectively. Their outstanding performances made the day even more special.

On June 15, sections 6 to 8 organized an oath-taking ceremony on the occasion of World Elder Abuse Awareness Day. The event took place in the school premises, aiming to spread awareness among students about the importance of caring for the well-being, physical, and mental health of older people. The program's purpose was to provide a platform for students to achieve learning outcomes related to understanding family relationships, roles, influences, and the significance of living together. The activities were designed in line with NCERT learning outcomes to foster a sense of responsibility and empathy towards the elderly.

The Malayalam department celebrated Reading Day on June 20, 2022, with various activities. Grade 8 students engaged in reading and writing about the books they had read. Grade 7 participated in role-play presentations, while Grade 6 had a poetry recitation competition. The events aimed to promote the love for reading and enhance language skills among students of different grades.

On June 26, 2022, a rally was organized for Grade 6 and 7 students to raise awareness on International Drug Abuse Awareness Day. Additionally, on June 28, 2022, an awareness class on Anti-Drugs was conducted by Mr. N G Ragunathan, Excise Preventive Officer, for Grade 8 students. These initiatives aimed to educate students about the dangers of drug abuse and promote a drug-free lifestyle.

On July 18, 2022, in commemoration of International Nelson Mandela Day, students from grades 6 to 8 were given a jigsaw puzzle featuring Nelson Mandela. During their English period, the students engaged in solving the puzzle, highlighting the importance of Mandela's legacy and his contributions to promoting equality, justice, and peace. This activity aimed to instill values of leadership and empathy among the students.

A two-day medical checkup camp was conducted on July 20, focusing on eye checkups, dental assessments, and basic respiratory issues for the students. This initiative aimed to ensure the health and well-being of the students.

On July 4, 2022, Parents Day was celebrated with great enthusiasm through the efforts of the Social Science department. The occasion encouraged students to showcase their artistic skills through drawings and card-making, expressing their love and gratitude towards their parents.

On July 31, 2022, an inter-school competition for the national anthem and patriotic songs was held at Chaitanya Vidyalaya. MP International School clinched the first prize in the patriotic song category. The talented participants from Grade 8, Fulla Abdulla, Mariyam Zanoobiya, and Marwa, represented the school and showcased their exceptional singing skills, earning accolades and recognition for their outstanding performance.

In honor of Independence Day, section 6-8 organized a patriotic song competition with the aim of fostering awareness about the significance of this auspicious day and instilling a sense of patriotism among the students. Patriotism is an essential quality that every individual should possess for their country, and it plays a vital role in the prosperity and progress of the nation. Additionally, a painting competition was also held as part of the Hunar School Cultural Fest, further promoting artistic expression and creativity among the students.

Participating in cultural activities has a positive impact on the academic performance of students. To provide a platform for showcasing the talents of our students, the school organized the cultural fest "Hunar." The fest featured various events and activities that took place on the 13th and 14th of September. Through these cultural events, students had the opportunity to express their creativity, build confidence, and enhance their overall skills, contributing to their holistic development.

On September 16, 2022, the school celebrated Coconut Day with enthusiasm. To mark the occasion, an exhibition was organized where students had the opportunity to showcase their creativity by preparing and bringing food items made with coconut. The event aimed to promote the significance of coconut in our culture and encourage students to explore the diverse culinary uses of this versatile fruit. It provided a fun and educational experience for the students, fostering their appreciation for traditional practices and promoting healthy food choices.

On October 10, 2022, in observance of World Mental Health Day, the Department of Counseling and Psychotherapy organized literary and artistic competitions for students of Grade 6-8. The students had the opportunity to participate in Essay Writing, Drawing, and Poster Making Competitions, which aimed to raise awareness about mental health and its importance. These programs were conducted during section assembly hours, allowing all students to engage in creative expression and contribute to promoting mental well-being within the school community.

On November 18, 2022, Section 6-8 organized the Merit Day as part of the Students' Achievements Honouring Ceremony. The event was held to recognize and honor the winners of the Hunar Art and Literary Fest. By celebrating their achievements, the program aimed to instill self-confidence and motivate students to further develop their co-scholastic skills. Additionally, it fostered a positive attitude and sense of acceptance among the students, encouraging them to excel in various fields beyond academics.

On November 18, 2022, in celebration of the FIFA World Cup, section 6-8 organized a drawing competition for the students. The participants were asked to draw and color the FIFA World Cup Trophy, introducing them to this iconic symbol of the tournament. The program aimed to familiarize the students with the significance of the FIFA World Cup and its cultural impact. Moreover, the activity served to enhance their fine motor skills, encouraging precision in their artistic endeavors, aligning with the learning outcomes set by NCERT.

The National Education Policy (NEP) 2020 has ushered in a transformation in the education system by adopting an activity-based and practice-oriented approach. The introduction of the Bagless Policy under NEP 2020 has been a boon for students. This policy encourages students to engage in experiential learning, hands-on activities, and practical applications of knowledge. It aims to reduce the burden of heavy school bags and promote holistic development, creativity, and critical thinking among students. The NEP 2020's focus on learning by doing empowers students to explore their interests and talents, leading to a more meaningful and fulfilling educational experience.

During the Bagless Day activities at school, Grade 6-8 students enthusiastically participated in a diverse range of engaging activities. They were involved in activity-based sessions focused on teamwork and problem-solving. Students also enjoyed creative pursuits like Mehendi and Painting, as

well as challenging tasks like solving Rubik's cubes and engaging in Math puzzles. Furthermore, they honed their artistic skills by making paper bags and exploring color puzzles and jigsaw puzzles. The day also included a valuable circle time for students to share their thoughts and provide feedback, fostering a sense of belonging and collaboration among them.

The celebration of Teachers' Day on September 5th made the month exceptionally special at our school. Students wholeheartedly expressed their love and appreciation for their teachers by preparing heartfelt greeting cards. These tokens of gratitude were filled with heartfelt messages, showcasing the deep bond between students and teachers. The day was filled with warmth and affection, as students took the opportunity to acknowledge the dedication and guidance provided by their teachers in shaping their academic and personal growth.

The school Olympics held on 30th September and 1st October was a thrilling event where students from grades 6 to 8 actively participated in various sports events. The school grounds were filled with excitement and energy as students showcased their sportsmanship and competitive spirit. The event not only promoted physical fitness but also instilled a sense of teamwork and healthy competition among the students. It was a memorable experience that highlighted the importance of sports and physical activities in fostering overall development and camaraderie among the students.

District Athletic Championship : MP International School achieved a remarkable feat at the 37th Kasaragod district athletics championship held at EMS Stadium Nileshwaram on 10th and 11th October 2022. The school displayed exceptional talent and skill in various athletic events, leading to a resounding victory, securing the championship title. The students' dedication and hard work, along with the guidance of their coaches, contributed to this outstanding achievement. The championship win not only brought pride to the school but also demonstrated the school's commitment to nurturing and encouraging sportsmanship among its students.

The 66th Kerala State Junior Athletics Championship, held at the University Stadium, Calicut, from 20th to 23rd October 2022, witnessed spirited participation from MP International School's Grade 8 students. The young athletes showcased their exceptional talent and sportsmanship in various athletic events, representing the school with pride and dedication. Their participation in such prestigious competitions not only fosters their physical abilities but also instills values of discipline, perseverance, and teamwork. The school takes immense pride in its students' achievements, and their efforts inspire others to pursue excellence in sports.

On November 1st, MP International School celebrated "Keralapiravi Day" with great enthusiasm and reverence. The occasion marked the birth anniversary of the state of Kerala, and the school took pride in honoring its rich cultural heritage. Students, teachers, and staff gathered to take the Malayalam pledge, affirming their commitment to preserve and promote the Malayalam language and culture. The event was a reminder of the significance of Kerala's history, traditions, and contributions to society, fostering a sense of pride and identity among the school community.

On November 14th, MP International School celebrated Children's Day with a plethora of exciting activities that brought joy and laughter to the students. Various games and fun-filled contests like Tug of war, Balloon passing, and Sundarikku Pottukuthal were organized to engage the students in friendly

competitions and team-building exercises. The day was dedicated to celebrating the innocence and exuberance of childhood, allowing the students to indulge in carefree moments of happiness and camaraderie with their peers. The event highlighted the school's commitment to creating a nurturing and enjoyable learning environment for its young learners.

On December 20, 2022, an empowering program called "YOU TURN" was conducted for the students of grade 8 at MP International School. The session was led by Mr. Nandalala, a motivational speaker, who provided valuable insights on life and personal growth. The program aimed to inspire and empower the students, encouraging them to make positive changes and take control of their destinies. Through motivational talks and interactive discussions, the students were motivated to embrace challenges and develop resilience, fostering a sense of self-belief and determination for their future endeavors.

On December 22nd, National Mathematics Day was joyfully celebrated at MP International School. As a part of the festivities, students enthusiastically prepared charts that showcased concepts related to fractions and mensuration, enhancing their understanding of these mathematical principles.

To commemorate the Bharatiya Bhasha Utsav, students from grades 6 to 8 participated in a diverse range of activities. These included poem recitations, speeches, translations, and chart making, which enabled them to explore various languages. This celebration served as a platform for students to express their likes and dislikes, respond to familiar incidents, and demonstrate respect for diverse cultures, foods, festivals, and sensitivities. Through such activities, students developed a deep appreciation for multilingualism, fostering a sense of tolerance and acceptance towards others.

On January 21, 2023, in commemoration of Road Safety Week during "Swachhata Pakhwada," MP International School's Grade 6 students engaged in a thought-provoking Slogan Writing activity on "Road Safety," while Grade 7 and 8 students participated in an insightful Essay Writing competition on the "Importance of Road Safety." The primary purpose of these activities was to raise awareness among the students about the critical issue of road safety. By encouraging them to express their thoughts through creative writing, the school aimed to instill a sense of responsibility and consciousness towards safe road practices, promoting a safer environment for all.

On Republic Day, January 26, 2023, MP International School commemorated the occasion with great fervor and patriotism. The students from grades 6 to 8 participated in various cultural programs, including heartwarming group songs and inspiring speeches. The celebration aimed to instill a deep sense of pride and love for the nation, fostering a spirit of unity and patriotism among the students. It was a day filled with joy and enthusiasm as the students showcased their talents while expressing their gratitude towards the country.

On February 14, 2023, the art enthusiasts of MP International School held a spectacular art exhibition titled "SHIDDATH." The event showcased the remarkable artistic talents of students from grades 6 to 8. A diverse array of captivating artworks, ranging from paintings to sculptures, adorned the exhibition. The students poured their creativity and dedication into their masterpieces, impressing the visitors and receiving accolades for their exceptional work. The art exhibition served as a platform for the young artists to express themselves and further nurtured their passion for art.

On February 16, 2023, the boys from grades 6 to 8 embarked on an exciting trip to Tinton resort, creating cherished memories filled with fun and adventure. Likewise, on February 22, 2023, it was the turn of the girls from grades 6 to 8 to visit the same destination, enjoying their own unique experience. The trips provided the students with a refreshing break from their academic routine, fostering camaraderie and camaraderie among the students. These outings were a delightful blend of exploration, team bonding, and relaxation, making them a highlight of the academic year.

Under the guidance of Maduram Malayalam Club, an enthralling painting competition took place at Bekal Fort on February 22, 2023. The talented participants from our school included Hafi Fazal and Noureen Shafi from 6B, Abdul Khader Haziq from 6C, and Safa Binth Saadiq from 7A. Their artistic flair and creativity were on full display during the competition, reflecting the vibrant culture and heritage of our region. It was a fantastic opportunity for our students to showcase their artistic skills and be a part of a prestigious event.

The much-awaited School Annual Day "BAHAAR 2.0" was held on March 4, 2023, with great enthusiasm and excitement. The event featured a total of 13 captivating programs presented by the talented students of grades 6 to 8. Bahaar 2.0 provided a platform for our students to showcase their diverse talents and skills, including music, dance, drama, and more. The audience was enthralled by the mesmerizing performances, and it was a proud moment for both students and teachers to witness their hard work and creativity come to life on stage.

MP International School recognizes the significance of physical activity in enhancing cognitive performance and promoting brain health. As part of our commitment to holistic development, we have introduced karate classes for students of grades 6 to 8, conducted every Saturday. These classes not only promote physical fitness but also instill discipline, focus, and self-confidence in our students. By engaging in regular physical activities like karate, we aim to foster a healthy mind-body balance and equip our students with valuable life skills that will benefit them in their academic and personal pursuits.

Praveshika Camp :In a significant step towards promoting leadership and character development, MP International School introduced its first batch of Scouts and Guides in the academic year. With 29 enthusiastic students from grades 6 to 8 joining the program, Scout and Guides have already begun making a positive impact. The program is designed to build confidence, self-esteem, and a sense of responsibility among students. By engaging in activities beyond the classroom, students have the opportunity to explore and discover the world, fostering an all-round development. The recently held "THRIDINA CAMP" at MP International School provided an exciting platform for students to engage in various activities, nurturing their skills and abilities while fostering camaraderie and teamwork.

Nurturing a sense of environmental responsibility and practical learning, students from grades 6 to 8 were taken to the "VEGGIE PATCH," our school's thriving vegetable garden. Every Wednesday, the students enthusiastically participated in watering the plants, learning about sustainable gardening practices, and witnessing the growth of various vegetables. This hands-on experience not only deepens their understanding of the natural world but also instills a sense of pride and accomplishment as they contribute to the school's eco-friendly initiatives. The VEGGIE PATCH has

become a cherished space where students connect with nature and embrace the importance of environmental stewardship.

As an integral part of our teaching and learning process, continuous assessment plays a pivotal role in evaluating the academic progress of our students. Both formative and summative assessments are conducted to ensure a comprehensive understanding of their learning journey. Formative assessments, carried out regularly, allow us to monitor their progress, provide timely feedback, and identify areas for improvement. On the other hand, summative assessments, held at specific intervals, provide a broader overview of their overall performance. Through these assessments, we strive to create a dynamic and supportive learning environment, nurturing the potential of every student.

Examinations: Throughout the academic year, we conducted a series of rigorous examinations to assess the academic progress and knowledge retention of our students. The Pre-Mid Term Examination was held from 25th August 2022 to 1st September 2022, providing valuable insights into their understanding of the syllabus at that stage.

The Mid-Term Examination took place from 20th October 2022 to 27th October 2022, assessing their learning journey at the middle of the academic term.

Subsequently, the Post Midterm Examination was conducted from 23rd January 2023 to 31st January 2023, offering a comprehensive evaluation of their performance after the mid-term period.

Finally, as a culminating event of the academic year, the Annual Examination was held from 20th March 2023 to 30th March 2023, allowing us to gauge the overall progress and grasp of the curriculum by our students.

These examinations played a crucial role in shaping their learning experiences, identifying areas of improvement, and ensuring a holistic development of each student at MP International School.

Parent-Teacher Meetings (PTMs) are an essential aspect of our academic process, fostering a strong partnership between teachers and parents to support the growth and development of our students. Throughout the academic year, we organized five PTM sessions, providing a platform for teachers and parents to engage in constructive discussions about the students' academic performance, strengths, and areas for improvement.

These meetings allowed us to share valuable insights into each student's progress, learning style, and challenges they might be facing. Collaboratively, we worked towards tailoring the learning experience to meet individual needs, addressing concerns, and setting mutual goals for academic and personal growth.

PTMs serve as a bridge of communication, nurturing a positive and supportive environment that enhances student learning outcomes and overall well-being. We highly appreciate the active involvement and support of parents in the academic journey of their children, which plays a pivotal role in nurturing our students' success.

Continuous Professional Development:At MP International School, we prioritize the professional development of our teachers, recognizing its pivotal role in enhancing the quality of education we offer. Regular teacher training sessions and feedback mechanisms are integral to our approach.

Our teachers actively participate in both offline and online training programs conducted by the Central Board of Secondary Education (CBSE). Through these sessions, our educators gain valuable insights into the latest pedagogical trends, innovative teaching methodologies, and effective classroom management techniques. The 50-hour online training further uplifts their knowledge and skills, empowering them to create engaging and enriching learning experiences for our students.

We believe that well-trained and motivated teachers are key to fostering a dynamic and inclusive learning environment. The knowledge and expertise acquired through these training sessions reinforce their work and enable them to adapt to the evolving needs of our students effectively.

By investing in continuous teacher training, we ensure that our educators remain abreast of best practices in education, empowering them to inspire and guide our students towards academic excellence and holistic development. We value their dedication and commitment to providing quality education, and their ongoing growth and learning contribute significantly to our school's success.

Section Meetings:Throughout the academic year, regular section-level teachers' meetings were held at MP International School to foster effective communication and collaboration among educators. These meetings served as platforms to discuss students' academic progress, identify areas of improvement, and devise strategies to enhance their learning experiences. Various co-curricular and extracurricular activities were also deliberated upon during these gatherings.

The teachers' meetings were conducted on the following dates:

15/06/2022	29/06/2022	08/07/2022	15/07/2022	29/07/2022	02/08/2022	04/08/2022
11/08/2022	23/08/2022	02/09/2022	16/09/2022	23/09/2022	05/10/2022	28/10/2022
05/11/2022	18/11/2022	25/11/2022	09/12/2022	16/12/2022	30/12/2022	06/01/2023
20/01/2023	01/02/2023	03/02/2023	10/02/2023	20/02/2023	27/02/2023	10/03/2023
16/03/2023						

These meetings were instrumental in fostering a collaborative and student-centric approach, enabling the teaching faculty to better understand and cater to the individual needs of our students. The open and constructive discussions allowed teachers to share best practices, exchange ideas, and collectively contribute to the overall growth and development of the students. The school's commitment to regular communication and professional development plays a significant role in maintaining an enriching and supportive learning environment for all stakeholders involved.

REPORT SECTION 9 & 10

You were born to be a winner, you must plan to win and prepare to win and expect to win.

The first batch of MP International School's CBSE-affiliated MPIS CULT was a significant milestone, consisting of 96 students, with 45 students in Grade 10 and 51 students in Grade 9. To facilitate effective learning, the section was divided into four classrooms: 10 A, 10 B, 9 A, and 9 B. A team of dedicated teachers, including subject-specific and language teachers, supported and guided the students in their respective batches.

One of the unique features of this batch was the provision of two skill-based subject options: Physical Activity Trainer and Data Science. Emphasizing activity-based learning, the school provided subject-wise laboratories for Science, Mathematics, Social Science, and Computer Science, where students engaged in hands-on activities aligned with the learning outcomes.

The infrastructure was designed to cater to the students' needs comprehensively. There were separate lavatories for boys and girls, ensuring comfort and privacy for all. Additionally, the school took care to provide a washroom specifically designed for physically disabled students, promoting inclusivity and accessibility.

Throughout the academic year, this CBSE-affiliated batch at MPIS experienced a holistic and enriching educational journey, fostering their academic, personal, and skill-based development. The school's commitment to activity-based learning and a conducive learning environment contributed to the students' overall growth and success.

The section, known for its exceptional academic performance and active participation in co-curricular activities, posed a unique challenge for the teachers. Balancing academic excellence with a rich array of co-curricular pursuits required careful planning and dedication.

Grade 10 commenced its academic year in the second week of March, and the class officially reopened on the 2nd of June 2022. The students' school day began promptly at 8 am and concluded at 3.50 pm, providing ample time for comprehensive learning and engagement in various subjects.

Throughout the year, the teachers worked tirelessly to ensure that the students received top-notch education while also nurturing their talents and interests outside the classroom. Their dedication played a crucial role in maintaining the section's outstanding academic standards while encouraging active participation in co-curricular events and activities.

The section's journey in Grade 10 exemplified the harmonious blend of academics and co-curricular pursuits, fostering well-rounded development and enabling students to excel in all aspects of their education.

On the 4th of June 2022, an Orientation Programme for Grade 10 students was organized by our esteemed principal. During the event, the principal emphasized the key areas of focus in academics and their significant contribution to the world of learning.

The Orientation Programme aimed to provide valuable insights to the Grade 10 students about their academic journey and the importance of their studies in shaping their future. The principal's words of

wisdom and guidance inspired the students to stay focused, work hard, and excel in their academic pursuits.

The programme served as a motivational platform for the students, instilling in them a sense of purpose and determination to achieve their academic goals. It reinforced the notion that education is the foundation for a successful and fulfilling life, urging the students to make the most of their learning opportunities.

With the principal's inspiring words ringing in their ears, the Grade 10 students embarked on their academic journey with renewed enthusiasm and a clear vision of the positive impact their education can have on their lives and the world around them.

An informative Anti-Drug Talk Session was conducted for Grade 9 students, along with Grade 8 students, by an expert in the field. The session aimed to create awareness about the dangers of drug abuse and its potential impact on their lives.

During the talk, the expert discussed the importance of making positive choices and focusing on their interests and passions in life. The students were educated about the harmful effects of drugs on physical and mental health, as well as its detrimental consequences on academic and personal growth.

The session served as an eye-opener for the students, empowering them with knowledge to make informed decisions and steer clear of the dangers of drug abuse. By engaging in open discussions, the students were encouraged to voice their thoughts and concerns about the subject.

The school's commitment to promoting a drug-free environment and supporting the well-being of its students was evident through this proactive approach. The Anti-Drug Talk Session provided the students with valuable insights and tools to resist peer pressure and lead a healthy, fulfilling life.

The impact of this session was profound, as it not only raised awareness but also instilled a sense of responsibility among the students to safeguard their own well-being and that of their peers. Such initiatives demonstrate the school's dedication to nurturing a safe and supportive learning environment for all its students.

The International Yoga Day was celebrated with great enthusiasm by Grade 10 students, who eagerly participated in a mega event that brought together all CBSE schools at Bekal Fort. The event aimed to promote the holistic practice of yoga and its significance in connecting with oneself.

Under the guidance of experienced yoga instructors, the students embarked on a journey of self-exploration and self-awareness through various yoga poses and breathing exercises. The serene atmosphere of Bekal Fort provided the perfect backdrop for the students to experience the calming and rejuvenating effects of yoga.

Grade 10 students demonstrated their commitment to embracing a healthy lifestyle and cultivating a deeper understanding of themselves. The experience left a lasting impression on them, encouraging them to incorporate yoga into their daily routines to maintain balance and harmony in their lives.

In the month of July, a Skill Enhancement Programme was organized for Grade 9 and 10 students at our school. The focus of this program was to provide valuable insights into career and personality development, equipping the students with essential skills for their future endeavors.

One of the highlights of the SEED program was the recognition of Ridha, a talented student from Grade 10, who was awarded a prestigious scholarship. This scholarship not only served as recognition of her outstanding academic achievements but also provided her with a wonderful opportunity to pursue her educational dreams.

The school's initiative to conduct a mock election for the school parliament on July 14 provided our students with a unique opportunity to experience and understand the workings of a democracy, especially in the context of India, being the largest democracy in the world.

The election process was designed to be inclusive, involving students from Grade 9 to 12 as candidates who campaigned actively, expressing their ideas, and outlining their agendas for the school's betterment. It was a remarkable exercise in encouraging leadership, critical thinking, and public speaking skills among the students.

Throughout the campaign period, the candidates demonstrated their understanding of various issues that the school community faces, and they proposed innovative solutions to address these concerns. The vibrant campaigns brought a sense of excitement and participation among the entire school.

On the election day, all students were given the opportunity to cast their votes, mirroring a real-life election scenario. The process allowed the students to make informed choices, develop a sense of responsibility, and recognize the value of their voice in decision-making.

Promoting the health and well-being of our students has always been a top priority for our school. In line with this commitment, we organized a comprehensive health camp spanning three days to address various aspects of our students' health.

The health camp, held on the school premises, focused on essential health screenings, including eye check-ups, dental examinations, and basic respiratory assessments. We believe that being healthy is not just a one-time event but a continuous lifestyle that requires regular monitoring and care.

During the camp, qualified medical professionals and specialists conducted thorough eye examinations to detect any visual impairments and offer appropriate interventions if needed. Dental issues were also addressed through dental check-ups, ensuring that our students maintain good oral health and hygiene.

While every day is an opportunity to express our love and gratitude to our parents, dedicating a special day to celebrate their presence and sacrifices is a beautiful way to honor them. On the occasion of Parents Day, our school's Social Science Department organized a heartwarming celebration to commemorate the selfless love and support of parents.

During this special event, our students enthusiastically participated in various activities, showcasing their creativity and affection for their parents. Drawing and card-making skills were highlighted as children poured their emotions onto paper, crafting beautiful artworks that conveyed their love and appreciation.

The Independence Day celebrations were a grand affair, featuring a series of events and competitions that showcased our students' talents and dedication. Various programs were organized to commemorate the historic day and to instill a deep sense of love and respect for our country.

The day commenced with the flag hoisting ceremony, where the tricolor was unfurled with utmost reverence. The national anthem echoed through the campus, resonating with the patriotic fervor of our students, teachers, and staff.

Throughout the day, students actively participated in a range of competitions, including speeches, poetry recitals, and patriotic song performances. These activities served as a platform for our young learners to express their admiration for the country and to reaffirm their commitment to upholding its values.

Our school believes in nurturing responsible citizens who understand the significance of freedom and the sacrifices made by our forefathers to achieve it. Hence, we strive to instill in our students a profound sense of patriotism and appreciation for the rich cultural heritage of our nation.

On July 31, 2022, an interschool National Anthem and patriotic song competition took place at Chaitanya Vidyalayam. The event witnessed enthusiastic participation from around 14 children representing our school. The competition was a testament to the young talents' dedication and love for the nation through their soul-stirring performances.

On August 14, we organized the "Har Ghar Tiranga" program, encouraging children to hoist the national flag and share their pictures. It was a patriotic initiative that brought the spirit of unity and love for the country among the students. The event fostered a sense of pride and patriotism in each participant.

Independence Day was celebrated with great enthusiasm and pride in the presence of the chairman and vice chairman. Our section collaborated with the social science department to honor the Guardian Angels – the police department, fire force, forest department, and the panchayat. It was a special tribute to the dedicated services of these essential departments in safeguarding and serving our community. The event symbolized our gratitude and respect towards these unsung heroes.

The true essence of a school lies in recognizing and nurturing the unique talents of every child. In line with this belief, the Hunar Offstage Programmes were conducted on 10th and 11th of the month. Students showcased their diverse skills through activities like anchoring, story writing, essay writing, and pencil drawing. It was a wonderful opportunity to celebrate and encourage their individual creativity and abilities.

The Hunar Onstage Programmes were conducted with grandeur, featuring captivating performances such as Opanna, soulful songs, mesmerizing Duff Muttu, and thought-provoking street plays. It was a

showcase of talent, creativity, and cultural diversity, leaving the audience spellbound and applauding the remarkable skills displayed by the students. The event celebrated the richness of our cultural heritage and the creative prowess of our young stars.

The school embraced a holistic approach, ensuring a perfect balance between academics, arts, and sports. Innovative methods were employed to promote sports and games among the students. The result was evident in the success achieved through these initiatives, nurturing well-rounded individuals with talents that extended beyond the classroom. The school's commitment to fostering overall development was clearly reflected in the achievements and enthusiasm of the students in various arenas.

On 20th August 2022, a thrilling throw ball meet was organized in Dharmataduka, featuring 28 students from grades 9 and 10. The event brought together young athletes who showcased their sportsmanship and teamwork, creating a memorable experience for everyone involved.

The "Innovative Cell" was officially inaugurated by our esteemed Principal, with the 10th graders taking the lead. In the training hall, they introduced their unique home game to an enthusiastic audience consisting of the 9th graders and teachers. Shahil, a bright student from grade 10, was appointed as the Chief Innovation Head of the club, setting the stage for a promising journey of creativity and ingenuity.

Life indeed presents its challenges, and being prepared for minor accidents is crucial. Our teachers conducted informative sessions on Trauma Care for grade 9 and 10 students, teaching them essential skills to handle minor accidents and injuries with confidence and ease. Empowering our students with such knowledge ensures their safety and well-being, fostering a secure and supportive environment at our school.

In the pursuit of holistic well-being, our school prioritizes both physical and mental health. In September, our dedicated counselors conducted valuable sessions for grade 9 and 10 students, focusing on mental health awareness and support. These sessions aimed to equip our students with essential coping strategies and emotional resilience, fostering a positive and nurturing environment for their overall growth and development. At MP International School, we believe that a healthy mind is as vital as a healthy body, and we are committed to nurturing both aspects for our students' well-being. In September, our compassionate counselors, Ms Shravya and Ms Nimmi, played a pivotal role in promoting the well-being of our grade 9 and 10 students. They conducted informative sessions on both physical and mental health, empowering students with essential knowledge and skills to lead balanced lives. As part of their efforts, an engaging essay competition was organized, encouraging students to express their thoughts on the importance of maintaining good health. These initiatives not only created awareness but also fostered a supportive and caring environment within our school community.

On 1st September, our school had the privilege of hosting a captivating talk show by the esteemed photographer and ecologist, Mr. Shaji. With great passion and expertise, he enlightened our students about the art of photography and its power to capture the beauty of the environment. Mr. Shaji also emphasized our role in combating climate change and making the world a more beautiful place

through individual actions and awareness. The session left a lasting impact on our students, inspiring them to contribute positively to the environment with zeal and dedication.

The Teachers' Day Celebration at our school was a heartwarming event, beautifully organized by the thoughtful grade 10 students. Their genuine love and appreciation for our teachers were evident in the heartwarming gestures and heartfelt messages they shared. Additionally, grade 9 students took the responsibility of engaging all the other classes, making the day even more special for our beloved teachers. The event was a true testament to the profound impact a good teacher can have on the lives of their students.

A commendable blood donation camp was organized within the school premises on September 5, 2022. The event witnessed active participation from students, teachers, and staff, showcasing their commitment to the noble cause of saving lives through blood donation. The initiative exemplified the spirit of compassion and community service ingrained within our school community.

The joy of sports and games filled the air as the enthusiastic students from grade 9 and 10 actively participated in the School Olympics held on September 30th and October 1st. The event showcased the students' sporting talents and dedication, resulting in a remarkable performance. The athletes brought home several medals and prizes, making our school proud of their achievements.

The vibrancy of our culture was brought to life during the grand Kalolsavam held at our school in October and November. The event showcased a diverse array of talents in both offstage and onstage competitions. Grade 9 and 10 students shone brightly, securing numerous prizes in various categories, making the festival a true celebration of our rich cultural heritage.

In honor of Kerala Piravi, the Malayalam Department organized engaging programs involving grade 9 and 10 students on November 1st. We believe that children are the most valuable resources and the hope of the future, and on this special day, we ensured that our students enjoyed and celebrated to the fullest.

On Children's Day, we blended education and fun for grade 9 and 10 students. The celebration included a special assembly, engaging poster making activities, an exciting quiz, and a cook without fire competition. It was a delightful and educational day filled with joy and enthusiasm.

Amidst the football fever that had captured everyone's hearts, we decided to channel our students' creativity through a FIFA World Cup drawing competition. Both grade 9 and 10 participated enthusiastically in this event on November 18, 2022. The young artists showcased their love for football and their artistic talents, making it a memorable and exciting experience for all.

In the spirit of promoting awareness and understanding, a poster-making competition on Gender Equality and the National Education Policy 2020 (NEP 2020) was organized for grade 9 students in December. Through their artistic expressions, the students demonstrated their commitment to fostering a more equitable and inclusive society while embracing the transformative aspects of the education system.

Amidst the pressures of academic performance, a motivational session titled "You Turn" was organized for the students of grade 9 and 10. Renowned motivational speaker, Nandagopan, shared valuable insights on life, instilling courage and resilience in the students. The session aimed to inspire and empower the students to face challenges with determination and embrace success and failure as part of their journey towards personal growth and achievement.

The concepts for grade 9 and 10 were successfully completed in the second week of December. In preparation for the upcoming examinations, grade 10 students underwent five comprehensive revision tests from the last week of December until 3rd February 2023. These tests aimed to reinforce their understanding of the subjects and help them perform their best in the examinations.

In response to the grants received from the panchayat for our school vegetable garden, grade 9 students enthusiastically took on the responsibility of nurturing the garden. With their dedication and hard work, they assisted the teachers in cultivating the crops, contributing to a bountiful harvest. The students learned valuable lessons about agriculture and the importance of sustainable practices in nurturing the Earth.

The efforts of grade 9 students in assisting the teachers to establish the Veggie Patch were commendable and greatly appreciated by the entire school community. Their dedication and hard work in contributing to the formation of the garden were acknowledged by many teachers, highlighting the sense of responsibility and enthusiasm they showed in nurturing the green space. Their active involvement in this initiative showcased their commitment to sustainable practices and the importance of caring for the environment.

The Merit Day celebrations at our school were a wonderful occasion to recognize and appreciate the talents and achievements of our students. The event emphasized the importance of judging children based on their merits and accomplishments rather than focusing on their shortcomings. It was heartening to see the small acknowledgments and encouragement make a significant impact on the children's lives, boosting their confidence and motivating them to excel further. The Merit Day served as a platform to celebrate the unique abilities and efforts of each student, fostering a positive and nurturing environment within the school community.

The Republic Day celebration at our school was a grand and patriotic event. Students and teachers came together to commemorate the historic day with enthusiasm and pride. Various cultural programs, including group songs, speeches, and performances, showcased the spirit of patriotism and love for the nation. The entire school community was filled with joy and reverence as the tricolor flag was hoisted, and the national anthem was sung with pride. The event served as a reminder of the importance of our democratic values and the rich cultural heritage of our country. It was a day filled with unity, respect, and a deep sense of national identity.

To ensure the academic progress and success of all students, our school organized special remedial classes for low achievers. Parents of these students were invited to attend these classes to actively participate in their child's learning journey. Additionally, the mentors regularly engaged with students to inquire about their progress and address any learning challenges they might be facing.

As part of the preparation for the upcoming board exams, grade 10 students had their pre-board examinations from 7th to 23rd February. To provide comprehensive support, remedial classes were conducted batch-wise and subject-wise from 8 am to 5:30 pm. The aim was to strengthen their understanding and knowledge in various subjects.

Communication with parents was a priority, and regular updates were shared with them regarding their child's progress in remedial classes and pre-board examinations. This collaborative effort between parents, teachers, and students aimed to ensure each student's success and overall academic development.

Our section had the privilege to represent our school in various inter-school events, including a quiz session held in Calicut. The students from our section actively participated and showcased their knowledge and skills. It was a great opportunity for our students to compete with others and demonstrate their academic prowess. Their hard work and dedication paid off as they performed admirably, making our school proud. Such events encourage healthy competition, promote teamwork, and help in the overall growth and development of our students. We look forward to more such opportunities in the future to continue shining on behalf of our school.

Our section actively participated and excelled in various awareness programs and sessions that were conducted in our school. The initiative to save the cheetah was a crucial cause that our students passionately supported, raising awareness about the importance of wildlife conservation. Additionally, the session on reducing exam pressure by the Prime Minister was insightful and beneficial for our students, helping them manage stress and perform better academically.

On World Tuberculosis Day, our section took the lead in spreading awareness about this disease and its prevention. Our students actively participated in creating informative materials and conducting awareness programs to educate their peers and the school community.

Participating in such events not only showcases the talent and dedication of our students but also highlights our school's commitment to instilling a sense of social responsibility and global awareness among the students. We are proud of our section for their active involvement in these initiatives and their commitment to making a positive impact on society.

In January, Grade 9 students appeared for their annual exams from 21st January to 3rd February. Following the exams, there were retests for two papers to ensure that all students had a fair opportunity to perform at their best. After thorough evaluation, the final list of students for the new Grade 10 batch was prepared and announced on 10th February

The process of conducting exams and retests was essential to assess the students' academic progress and readiness for the next grade. It also ensured that all students were given a chance to showcase their abilities and achieve their potential. The announcement of the new Grade 10 batch was a significant milestone for the students as they prepared to embark on the next phase of their educational journey. We are proud of our students' hard work and dedication and wish them all the best in their future endeavors.

Starting from February 16th, the new Grade 10 batch began their academic journey with the same timetable. The teachers efficiently handled the new batch of Grade 10 students while also conducting remedial classes for the previous batch to ensure they were well-prepared for their upcoming board exams. The school term continued until March 30th, providing ample time for students to engage in concept-based teaching and learning.

Concept-based teaching is an effective approach that focuses on developing a deep understanding of fundamental concepts, allowing students to apply their knowledge to real-world situations. By adopting this approach, the school aimed to enhance students' critical thinking, problem-solving skills, and overall academic performance.

As the school year concluded before the summer break, the students had the opportunity to review their learning and consolidate their knowledge in preparation for any future challenges. The commitment of the teachers and the dedication of the students played a vital role in ensuring a successful and productive academic year. The school administration looks forward to welcoming back the students after the break and continuing the journey of holistic education.

On February 4th, 2023, Grade 10 students enjoyed a day tour to Tinton Resort, creating fond memories and a break from their academic routine. Similarly, Grade 9 students had their share of excitement, with boys visiting Tinton Resort on February 16th and girls participating in a training session on the same day. The girls had their fun-filled trip to the resort on February 22nd. These outings provided the students with opportunities for recreation, team bonding, and exposure to new experiences in a relaxed environment.

The Annual Day (Bahar) held on March 4th showcased the talents of our students and aligned with the theme of Sustainable Development Goals (SDGs). Grade 9 girls prepared a captivating mime performance on "Life on Land," highlighting the importance of environmental conservation and biodiversity. On the other hand, the boys mesmerized the audience with their harmonious group song, emphasizing the significance of unity and collective action towards achieving the SDGs. The event was a beautiful amalgamation of creativity, talent, and social awareness, leaving a lasting impact on everyone present.

The academic year for grade 9 and 10 students was filled with various assessments and examinations, ensuring a comprehensive evaluation of their learning progress. From class tests to unit tests, pre-midterms to midterms, and revision tests, students were regularly challenged to showcase their knowledge and skills. The teachers also organized remedial classes and provided personalized attention to low achievers, helping them improve their academic performance. The annual exams held in January tested the students' overall understanding of the subjects. The Preboard exams in February served as a final preparation for the upcoming board exams. The rigorous exam schedule ensured a holistic learning experience for the students, preparing them for their future endeavors.

The last few months of the academic year for grade 9 and 10 were filled with intense preparation as students faced a series of revision tests. From the last week of December until 3rd February, they diligently revised their subjects, making sure they were well-prepared for the challenges ahead. Then, the highly anticipated Preboard exams commenced from 7th February to 23rd February 2023. These

exams served as a crucial final assessment before the actual board exams, providing valuable feedback and helping students gauge their readiness. With dedication and hard work, the students put their best foot forward, determined to excel in their academic journey.

Section Meetings: The section 9 and 10 meetings were held regularly throughout the academic year, with a total of 24 meetings scheduled on the following dates:

09/06/2022	25/06/2022	30/06/2022	08/07/2022	18/07/2022	03/08/2022	08/08/2022
12/08/2022	05/09/2022	14/09/2022	27/09/2022	07/10/2022	18/10/2022	27/10/2022
04/11/2022	08/11/2022	10/11/2022	08/12/2022	28/12/2022	06/01/2023	10/01/2023
17/01/2023	28/01/2023	01/02/2023				

These meetings provided a platform for teachers to discuss and plan academic activities, address student concerns, and coordinate various events and programs to ensure the smooth functioning of the section.

Gratitude : We extend our heartfelt gratitude to the Almighty for guiding us on this journey of knowledge and growth. We are humbled and grateful for the blessings that have paved the way for our success and achievements. To the parents, your unwavering support and trust have been the pillar of strength for our students. To our students, you are the heart and soul of our institution. To our dedicated teachers, you are the guiding light that ignites the flame of knowledge in our students' hearts. To our administrative staff and management, your relentless support and meticulous planning have paved the way for a conducive learning environment.

REPORT SECTION -SENIOR SECONDARY

The senior secondary section reopened on June 1 after summer vacation. Started with 14 students ,the senior secondary section now has 35 students. The school offers Science and Commerce streams with various subjects. Co-curricular activities promote holistic development.

On July 14, the School Parliament Elections were conducted with enthusiasm. Students actively participated in campaigns and had the opportunity to interact with the candidates during the "Meet the Candidate" program, where they could listen to their aspiring leaders' visions and ideas.

Independence Day celebration was organized for students from grades 11 and 12, commemorating the spirit of freedom and patriotism. Various activities and events were held to instill a sense of pride and respect for the nation.

The M.K Joseph Memorial 17th Kerala State Inter District Club Athletic Championship 2022 took place from 16th to 19th August 2022. Our school proudly sent 33 students to participate in the event, and they showcased exceptional performances, securing various positions and accolades.

The 7th Kasaragod District Junior Throwball Championship was held at S.D.P.H.S Dharmathadka, where 28 students from our school actively participated. The girls' team exhibited remarkable teamwork and skills, earning them the prestigious third place. Moreover, Aysha from XI.C and Adil Abdullah exhibited extraordinary talent and were selected to represent the state level championship.

The Kasaragod District Sub Junior and Senior Sepaktakraw Championship was a thrilling event held on 21st August 2022 at GVHSS Trikaripur. We proudly sent 10 talented students from our school to showcase their skills and passion for the sport. Their dedication and hard work in the championship contributed to a memorable and competitive experience for all involved.

The 21st Kerala State Junior Throwball Championship was an exciting and competitive event held at MP International School from 3rd to 5th September 2022. We are delighted that 16 of our talented students actively participated and showcased their throwball skills during the championship. Their enthusiasm and sportsmanship added to the success of the event.

On 5th September 2022, MP International School organized a commendable Blood Donation Camp. The senior secondary students demonstrated great enthusiasm and actively participated in this noble cause. Their willingness to contribute to the community and save lives through blood donation was truly commendable. The event was a resounding success, and it reflected the school's commitment to social responsibility and humanitarian values.

On 7th October, a skill enhancement program aimed at career and personality development was conducted for the students of grade 11 and 12. The program focused on helping students explore various career options, develop essential skills, and build confidence in themselves. Expert speakers provided valuable insights and guidance to the students, empowering them to make informed decisions about their future. The initiative was well-received and contributed to the holistic development of the senior students at MP International School.

The 37th Kasaragod District Athletics Championship held at EMS Stadium Nileschwaram on 10th and 11th October 2022 saw our school excel and secure the championship title. With outstanding performances from our talented students, we clinched victory and emerged as the overall winners. As a testament to their exceptional abilities, 15 students from our school were also selected to represent the district at the state level championship. Their dedication, hard work, and sportsmanship have brought great pride and honor to our school. We extend

our heartfelt appreciation to the athletes, coaches, and everyone involved in making this victory possible. Let's continue to strive for excellence and achieve even greater heights in the future!

Our outstanding athletes exhibited remarkable performance at the Kasaragod District Cross Country Championship held on 10th December 2022 at GHSS Kakkat! We are extremely proud to announce that our school emerged as the champions in this prestigious event, showcasing the exceptional talent and determination of our students.

A special mention goes to the seven students from our school who have been selected to represent the district at the State Cross Country Championship. Their dedication and hard work have earned them this incredible opportunity, and we wish them the best of luck as they compete at the state level.

This victory is a testament to the relentless efforts of our athletes, as well as the guidance and support of our coaches and staff. We are grateful for the unwavering commitment of everyone involved in our sports program.

A student empowerment program was conducted for students of grades 8 to 12 on 20th December 2022. Renowned motivational speaker, Mr. Nandalala, led the session, inspiring students with valuable life insights. The program aimed to empower and motivate students to achieve their full potential.

As part of PM's Swachhta Pakhwada program on January 20, 2023, a road safety week was observed in our school. An awareness class on road safety and traffic rules was conducted for senior secondary students and drivers associated with our institution. The session aimed to promote safe practices and responsible behavior on the roads.

The Republic Day celebration on January 26th was a grand event at our school. During the ceremony, Zahra Ayshath, a student of grade 12, was honored for her remarkable achievement of securing full A+ in the Kerala state board grade 11 examination.

The Senior Secondary section of our school organized a special Merit Day event on December 12, 2022. The occasion was dedicated to recognizing and honoring the academic achievements of our students. During the ceremony, students who excelled in various subjects and co-curricular activities were acknowledged and appreciated for their hard work and dedication. It was a moment of pride and celebration for the entire school community.

Parent-teacher conferences were conducted to discuss and share the overall strengths, growth, and areas of improvement of students. The valuable feedback from parents helped us enhance the learning experience for children. The First General Body meeting was held on May 31, 2022, at 3:00 p.m. through Google Meet. Open houses were organized on July 16, 2022, September 17, 2022, and February 20, 2023, after each assessment. Special meetings

were arranged for parents of low achievers in grade 11 and 12. Regular learning enquiries were conducted with students of grade 10 and 12 by their respective mentors.

Section-wise meetings have proven to be essential for effective communication and collaboration among teachers within the same grade level. These meetings focus on addressing section-specific issues, aligning the curriculum, and providing individualized support to students. Through these gatherings, teachers share best practices, discuss teaching strategies, and plan co-curricular activities tailored to the students' interests. This enhances parent communication and facilitates professional development. By fostering a supportive network, teachers collectively address challenges and celebrate successes. These meetings play a vital role in creating a cohesive and productive learning environment that caters to the diverse needs of students.

28/03/23						

Gratitude : As we come to the end of the academic year 2022-2023, we want to express our heartfelt gratitude to each and every one of you for your unwavering support and dedication. This year has been filled with challenges, but together, we have overcome them and achieved remarkable success. To our parents, thank you for entrusting us with the education and well-being of your children. To our students, your enthusiasm and hard work have been truly inspiring. To our teachers, your commitment to excellence and tireless efforts in nurturing our students' potential are commendable. To our administrative staff and management, thank you for your continuous support in ensuring smooth operations and providing a conducive learning environment. Together, we have achieved numerous milestones, and we look forward to more successes in the coming years. As we bid farewell to this academic year, let us cherish the memories created and continue to strive for excellence in the years ahead. Thank you all for being a part of this incredible journey.

REFLECTING ON AN EXCEPTIONAL JOURNEY

As we conclude another successful academic year, I would like to thank the Almighty God for guiding and blessing us throughout this remarkable journey. I extend my heartfelt gratitude to each and every one of you for your dedication and hard work. This year has been filled with challenges and triumphs, and it is your collective efforts that have made it a memorable and rewarding journey. I extend my sincere thanks to the management for their unwavering support and invaluable guidance throughout this academic year.

To the teachers, thank you for your tireless commitment to providing the best education and nurturing our students' talents. Your passion for teaching and unwavering support have played a significant role in shaping the minds of our young learners.

To the students, your enthusiasm for learning and active participation in various activities have made our school a vibrant and dynamic place. Your determination and perseverance inspire us all to strive for excellence.

To the parents, thank you for entrusting us with your children's education. Your unwavering support and cooperation have been instrumental in creating a positive and nurturing environment for our students.

I would also like to extend my gratitude to the entire team of teachers and non-teaching staff who have worked tirelessly behind the scenes to ensure the smooth functioning of the school.

Collaboratively, Ms. Tanveen, Ms. Delna Wilson, Ms. Anvara, Ms. Sini, Ms. Sindhu, and Ms. Rahina have prepared this annual report, and their dedication to excellence is evident in every word. I am deeply grateful to them for their unparalleled dedication, support, and tireless efforts in ensuring the smooth functioning of our institution. Their unwavering commitment has been instrumental in shaping a nurturing and thriving educational environment for our students.

As we move forward, let us continue to work together as a team, nurturing the talents and potential of our students and guiding them towards a bright and successful future.

Thank you once again for your unwavering support and commitment.

With heartfelt appreciation,

Dr Abdul Jaleel P
Pedagogical Leader ,MPIS

MP Campus
