ACADEMIC CALENDAR 2026-27

Dear Parents, Teachers, Students, Administrative Staff, and Support Team,

We are pleased to present the Academic Calendar for the year 2026–27 of MP International School. This calendar has been thoughtfully prepared with the vision of providing maximum opportunities for the holistic development of every child through academics, activities, assessments, celebrations, competitions, projects, and life-enriching experiences.

The assessment dates and academic schedules mentioned in this calendar must be treated with utmost seriousness by parents and students. At the same time, parents are requested not to place unnecessary pressure on children. Instead, this calendar should help families prepare children systematically and peacefully well in advance, avoiding last-minute stress and hurried preparation.

Teachers are expected to make effective use of this academic calendar for careful lesson planning, assessment preparation, activity organization, and timely academic support. Administrative staff and helping staff are also expected to utilize this calendar for providing coordinated support and guided assistance for the smooth functioning of the institution throughout the academic year.

Parents are strictly informed that students are not permitted to leave before the completion of all scheduled assessments and academic requirements. Flight tickets or travel arrangements should not be booked before the official closing of the school term. Students who do not complete the required academic credit hours and assessments may not be eligible for promotion procedures or issuance of relevant academic documents as per school norms.

If leave is required under unavoidable circumstances, parents must submit a formal leave request to the Class Coordinator. The request will be forwarded to the concerned Section Head and subsequently submitted to the Principal for approval. All approvals will be provided only in written form. Parents are advised to book tickets or make travel arrangements only after receiving official written approval from the school. If advance approval is required, the request must also be submitted sufficiently in advance. Informing the school about travel plans after

booking tickets, without obtaining prior approval, will not guarantee re-admission or continuation when the student returns. Parents are requested to understand the seriousness of this policy and cooperate with the school in maintaining academic discipline and continuity. May the academic year 2026–27 be filled with meaningful learning experiences, disciplined efforts, joyful participation, and continuous growth for every child who enters this campus.

With best wishes for a productive academic year.
